

ASSOCIATION FOR MEDICAL PHYSICS
AND BIOMEDICAL ENGINEERING

II Conference on Medical Physics and Biomedical Engineering
5-6 November 2010, Skopje, Macedonia

FIRST ANNOUNCEMENT

March 2010

<http://www.zmfbi.org.mk>

Dear colleagues,

The Organizing Committee is pleased to welcome you to participate at the Second Conference on Medical Physics, which will be held in Skopje, Macedonia, 5th and 6th November 2010.

The Conference will provide a platform for sharing current developments and future trends in Medical Physics applied in Diagnostic Radiology, Nuclear Medicine, Radiation Therapy, Biomedical Engineering as well as Radiation Protection. The scope is broad and multidisciplinary, intended for a wide audience of medical physicists, radiologists, physicians, engineers and radiographers, as well as representatives of authorities and manufacturers. Non-governmental patient organizations and public relation and risk communication specialists are also invited to contribute.

The Conference is planned as a two-day program of events, which will include invited keynote lectures, and selected oral and poster presentations.

We look forward to welcoming you in Skopje for a memorable and successful conference.

Do not miss the opportunity to explore the beauty of the Macedonian nature and history.
