Second Conference on Medical Physics and Biomedical Engineering

5-6 November 2010, Skopje, Macedonia

SECOND ANNOUNCEMENT

May 2010

Dear colleagues, dear friends,

The Organizing Committee is pleased to welcome you to participate at the Second Conference on Medical Physics, which will be held in Skopje, Macedonia, 5th and 6th November 2010.

We encourage you to make plans now to attend this event which will offer opportunity for the exchange of ideas among professionals with different expertise.

The Conference is planned as a two-day program of events, which will include invited keynote lectures, and selected oral and poster presentations in the fields of Diagnostic Radiology, Nuclear Medicine, Radiation Therapy, Biomedical Engineering as well as Radiation Protection. The scope is broad and multidisciplinary, intended for a wide audience of medical physicists, radiologists, physicians, engineers and radiographers, as well as representatives of authorities and manufacturers. Non-governmental patient organizations and public relation and risk communication specialists are also invited to contribute. Your scientific contribution will make the conference a successful and memorable event.

We look forward to welcoming you to Skopje in November.

Join us! Share your experience, establish new relations and explore the city of Skopje, its history and pleasant natural surroundings
